*“All of us do not have equal talent. But all of us have an equal opportunity to develop our talents”
- A.P.J. Abdul Kalam.*

Real-life application of knowledge and skills has been the hallmark of the education revolution at DPS R.N. Extension. It is said ‘If you are planning for a year, sow rice, if you are planning for a decade, plant trees, if you are planning for a lifetime, educate people’. Indeed one can even say that the quality of education will determine the destiny of the nation. DPS R.N. Extension has always delivered a wholesome 360° education to our students. The caring and sensitized ethos of our school has helped our students evolve into caring and achieving members of society and blossom into responsible, global citizens. In the year that was, we have seen ample evidence of cross-culture exposure and global exposure in classrooms and outside. We lend the platform and work hard backstage to applaud our students in all their activities, be with them, behind them and around them.

DPS R.N. Extension rejoices, celebrates the success of its students. We have created a niche for ourselves in the field of education. Our events are very popular among students of other schools as well. We have added many feathers to our cap by achieving in the fields of academics, sports and many inter-school events. We have planned to organise many prestigious events throughout the year and introduce more new innovative ideas every year. Our journey towards excellence will never end as every new achievement sets our bars higher than before. I had taken over as the Principal of this institution when it was just taking its baby steps and it is gratifying to see it growing into a robust and active child. I would like to extend my heartfelt gratitude towards all the stakeholders of this wonderful institution for their trust and valuable cooperation without which, this growth would not have been possible.

God bless!

Regards,
Pallavi Upadhyaya
Principal

Being a global citizen is not about where you live. It's about how you are raised.

THE CAMPUS

THE FACILITIES OFFERED TO OUR STUDENTS COMPLEMENT THEIR INTERESTS AND TALENTS.

The Science Labs are spacious and well-equipped with all the gadgets, models, preserved specimens and other essential items needed to satisfy the curiosity and enhance the scientific temper of the students.

The Computer Lab is equipped with the latest computers and each child gets to learn, work and research independently.

The Art & Craft Studio is a hub of activities with students busy exploring and working with different materials such as clay art, thread and nail art, wood art, Plaster of Paris, canvas and paper. They learn to draw, paint, doodle, shape and design.

The Avant-Garde Sports facility includes Swimming Pool and Splash Pool, Basketball Courts, Tennis Courts, Cricket Ground, Football Court, Table Tennis, Yoga, Gymnastics, Badminton Courts, and a Skating Rink. The equipments provided are of the best quality.

The Library is loaded with books for all age group and is a silent zone where students enjoy reading books of their choice.

The Auditorium, which has a seating capacity of 1200, is well-equipped with a professional sound system, psychedelic lights and control room to monitor the programs on stage.

The Infirmary is equipped with all necessities for emergencies. A qualified medical person is available throughout school days. The school has a tie-up with a multi-specialty hospital located within half a kilometer radius.

The School Cafeteria offers wholesome and hygienic food and periodical checks are carried out to maintain quality of the food served.

Safety and Security

DPS believes in the dictum 'Safety and Well-being' and therefore lays great stress on creating safe spaces and following stringent security measures for the safety of students.

- At the Pre-Primary level, each class has two teachers and a female helper.
- Special care is taken during arrival and dispersal of the students.
- The students are safely escorted by their teachers and helpers both times.
- The entire school and the school buses are equipped with CCTV cameras.
- All school buses are equipped with GPS tracking systems.
- The entire support staff is verified by the police.
- The school has a fully functional infirmary and qualified medical personnel to attend to any medical emergencies.
- The school has installed a state-of-art fire-fighting system.
- Safety drills for disaster control such as earthquake and fire as well as workshops on first-aid for all staff are held periodically during an academic session.
- Every member of the staff and para-workforce of our school has undergone rigorous training on grooming, etiquette and prompt response to emergencies.

We create leaders

DPS RN Extension is cognizant of the enormous potential of the youth and that's why our students are conferred upon with the responsibilities of Student Council. The purpose of the student council is to give students an opportunity to develop leadership by organizing and carrying out school activities and projects efficiently. In addition to planning events that contribute to school spirit and community welfare, the Student Council is the voice of the student body. Our educators cultivate passion in students by giving them opportunities to handle projects of worth on their own. Giving students ownership and true responsibility helps build accountable and confident individuals. The school sparks students' belief in themselves to bring out their innate leadership qualities that will benefit them throughout their lifetime.

Every Little Effort is RECOGNISED *and* Awarded

Discover
tomorrow
with DPS

Awards and accolades play a pivotal role in a student's life. Even the slightest recognition of a student's achievement works as a great motivation for them and encourages them to work even harder and more sincerely. Awards and certificates make them and their work stand out. DPS RN Extension is a fine example of one such school that takes pride in rewarding its students for their hard work and achievements. Students here are not only given tremendous opportunities to perform in Sports, Visual Arts, Science and Technology, Debates, and Conservation of the Environment but also felicitated for the same.

Plethora of Co-curricular Activities

Discover tomorrow with DPS

We equip our children to challenge their limits

For the overall development of a child, curriculum is not the only criterion. The holistic growth as well as to develop the various facets of personality development of a student; classroom teaching should be supplemented with co-curricular activities. The school has a broad and diverse range of co-curricular activities which aim to target students' different needs, interest and experiences. Through active participation, students are able to gain a positive experience, acquire leadership skills, inter-personal effectiveness and to strive for excellence. DPS RNE leverages on Co-Curricular Activities as a platform through which students can develop their character, qualities and be prepared to thrive in challenging environments.

OUR FACULTY

The greatest asset of a school is its teachers. DPS RNE is proud of their most seasoned and multifaceted faculty members, who not only work towards the academic excellence of our students but also instill moral values, and train them to face modern-day challenges and work for their holistic development.

A teacher is a friend, philosopher and guide whose role changes every now and then as per the situation. The teacher plays a vital role in moulding the future of our students, and we are glad that our students are getting enlightened under the exemplary guidance of such experienced teachers.

**We truly believe,
"Excellence is not a skill, it's an attitude."**

Our fingerprints don't fade from
----- *the lives we touch!* -----
