Dear Parents,

Greetings from Delhi Public School R. N. Extension!

Rashtriya e-Pustakalaya, the National Digital Library for Children and Adolescents, an initiative by the Department of School Education and Literacy, Ministry of Education, Govt. of India aims to provide free access to high-quality non-academic books for children and adolescents across different geographies, languages, genres and educational levels.

The application is available on Android and iOS platforms and is a digital toolkit for students. It offers thousands of books well categorized in age groups (3-8, 8-11, 11-14, 14-18) with age-appropriate stories, biographies, classics, science fiction, novels, etc. It also has provisions for creating digital readers' clubs and interactive sessions and monitoring readers' progress.

With 1000+ non-academic e-books and new titles being added regularly, ReP offers a diverse range of reading material in 22 Indian languages and in English.

We encourage all students/parents to take benefit of the above to enrich their knowledge and explore the vast collection of resources available on Rashtriya E-Pustakalaya.
